## **Spindletop Center Awarded Sixth Consecutive Certificate of Achievement for Excellence in Financial Reporting**

BEAUMONT, TX – Government Finance Officers Association of the United States and Canada (GFOA) has awarded the Certificate of Achievement for Excellence in Financial Reporting to Spindletop Center for its annual comprehensive financial report for the fiscal year ended August 31, 2024. This is the sixth consecutive year Spindletop Center has been awarded this certificate.

The Certificate of Achievement is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment by a government and its management.

"The Financial Services department of Spindletop Center is made up of extremely talented individuals who focus on ensuring accuracy and transparency in all our financial reporting," said Denise LeBlanc, Spindletop Center's Chief Financial Officer. Their efforts support the overall Center and the staff who serve our clients, making a positive difference in our communities."

The association's more than 25,000 members, located throughout the United States and Canada, are federal, state/provincial, and include local finance officials that are deeply involved in planning, financing, and implementing thousands of governmental operations in each of their jurisdictions.
